Subject: Taylor Road traffic issue

I have been running radar in the school zone in the AM on Taylor Road. The violators have been motor vehicles not the truck or school bus traffic. I related this info to Bruce Stamsky. I will continue to run radar on Taylor Rd.

Subject: Taylor Rd

I took a position this morning at Taylor and Minot to monitor the traffic. I started at 7:10 AM and ended at 9:15 AM. The highest speed that I had was 32 MPH in the 25 zone (a passenger car coming south on Taylor RD). The truck traffic was mainly DPW vehicles and Empire trucking hauling in and out roll-offs from our DPW. I wrote 2 citation in that area but the violations were for inspection offences. I will monitor the area during my shifts this week. I had my times logged with dispatch.

Subject: Taylor Rd

I checked Taylor Rd today at Minot Ave. (same location as yesterday) and was there from 0700 until 0915 with no violations. Fastest speed was 32 MPH.

Subject: Taylor Rd speed issue

Chief

I noticed a comment about how the cruisers do not have a place to hide on Taylor Rd. I find that if you park behind the shrubs, near the entrance to the Conant School works very well. Again the speed issue is NOT the truck traffic.
